

The main aim of ENGAGE project is to develop resources and actions, providing youth leaders (YL) with the necessary knowledge, skills, methodologies, and tools to educate youth on democratic processes and European values.

The ENGAGE project raise awareness of the diversity and role of inclusion in Europe, and ensure that all young people, including those with disabilities and those who are at risk, have equal access to opportunities.

PROJECT

**Empowering Next  
Generation  
Advocates for  
Global Education**

ERASMUS+  
PROGRAMME

REF. NO.: 2024-1-RO01-KA220-YOU-000250540

Co-funded by  
the European Union

## We are addressing to

- youth leaders (YL)  
youth workers,  
and educators  
who are involved in actions to  
educate young people on  
democratic processes
- **young people** with the age  
between 13-30, including  
disadvantaged groups
- **youth communities**

## Objectives of the project

### Identify YLs' needs

Discover preferences and challenges  
of youths on democratic processes.

### Develop YLs' skills

Increase values on human rights,  
social justice, diversity and  
inclusion.

### Experiential learning

Stimulate young people's active  
engagement in democratic life.

### Raise awareness

Create a strategic framework on  
increasing awareness of inclusion,  
diversity, social justice, and  
human rights, tackling gender,  
social, economic, and health  
challenges, fostering inclusivity  
and well-being for everyone.

## Activities & Results

**Strategy Document** on inclusive  
approach in the work of educators/YL.

**Online course**, including 10 modules  
and 20 practical methods/activities of  
active engagement in the inclusive &  
democratic life of the communities.

**Into action sessions**, at international  
and national level, involving youths in  
demonstrative activities of the ENGAGE  
project methods.

**Podcasts, motivational videos,  
infographics, educational bags, case  
studies, motivational cards.**
