Short description of the initiatives	<p>UNOPS relies on the vision and leadership of young people to effect positive and sustainable change.</p> <p>Youth are a powerful force for change, capable of tackling the world's biggest challenges with unparalleled energy, creativity and a sense of urgency. As they will inherit the results of today's decisions, it is essential that tomorrow's solutions are based on their vision.</p> <p>With this in mind, the UNOPS Youth Platform was created. Under the slogan '30 under 30, aiming for 2030', it brings together 30 young leaders under the age of 30 who play an advisory role to UNOPS. Members of the platform provide vital perspectives on how global challenges and emerging trends could influence UNOPS priorities and achievements.</p> <p>During this first year, the platform will defend the views of young people from historically under-represented communities and highlight the need for intergenerational dialogue.</p>
